SUBJECT: *Southland/7-Eleven CID No. 0001-04-02*
1997 Promotional Programs, Price Gap, and Ceiling Strategies

Ladies and Gentlemen:

Attached you will find communication from Jeff Rumberger concerning Southland/7-Eleven 1997 Promotional Programs, Price Gap and Ceiling Strategies. Basically, this information outlines the 1997 workplan for this chain. Please read through it carefully and advise if you have any questions.

In addition, I have attached a list of those 7-Eleven locations which presently *do not have* either a 1Base2 7-11 Contract nor a PACK OUTLET NSL3C Contract (pertinent to those stores with NSS Displays with security covers. These are classified as calls not participating in the Special 7-Eleven Merchandising Contract. If any of these locations are not PM exclusives or RJR lock-out calls, they should be contacted and a Price Gap Defense Plan and Accrual Plan needs to be built and the spending rolled up to the respective Region. Please contact these locations at your earliest convenience for the purpose of building business plans.

I appreciate your timely follow-through with this request. If you have any questions or concerns, please let me know.

Sincerely,

Jim

J. A. Morris
